

Dear Friend,

At AutismTN, we believe that everyone deserves to celebrate and be celebrated, especially on their birthday. Unfortunately, people on the spectrum often aren't invited to birthday parties or find celebrating their own an exhausting experience. With this in mind, we are pleased to announce the **4th Annual Birthday Bash**, during which participants of all ages will be celebrated.

4th Annual Birthday Bash

April 15th and 16th, Phazer Kraze, 252 River Rock Rd, Murfreesboro

This year, we are hosting two PRIVATE Birthday Bashes to better accommodate all ages and abilities. The laser tag arena at Phazer Kraze will be modified to accommodate individuals with sensory sensitivities, with reduced lighting and sound levels, and Phazer Kraze staff been trained to understand and support individuals with special needs. We will also have a designated 'quiet room' available for breaks. This is a great opportunity for children and adults on the spectrum, ADHD, or other sensory processing disorders, to experience the fun of laser tag in a comfortable and inclusive environment.

Your Birthday Bash Sponsorship will help ensure that up to 200 autistic individuals and their guests are celebrated in a way that is fun FOR THEM (and at no cost to them)! NO "Happy Birthday" song, NO blowing of candles, NO stress!

You can contribute to this special day by becoming an Executive, Supporting, Community or Birthday Club sponsor, or by Reserving a Table.

2nd Annual After-Bash

May 11, 2023, 630pm - 930pm at Riverside Revival, 1600 Riverside Dr, Nashville

As a thank you for support, AutismTN is inviting you to the **AfterBash!** This is your chance to also celebrate the autistic community of Middle Tennessee while supporting the work of AutismTN. You will enjoy a fun-filled evening with heavy hors d'oeuvres, open bar, live music, a 50/50 raffle, and silent & live auctions. Details on the benefits of Sponsorship are included in this packet. All proceeds will support our local autism community and the exceptional work of AutismTN.

AutismTN receives no state or federal funding and is not affiliated with national organizations. 100% of Autism Tennessee's budget is raised through grants and fundraisers like this and 100% of the money raised stays in Middle Tennessee. Here's a few ways that AutismTN is making a difference in our community...

- We are the only non-profit serving the needs of local families living with autism through the areas of support, advocacy, and education.
- We are the voice of over 65,000 individuals on the autism spectrum and their families in Middle Tennessee.
- We engage with over 7,000+ requests for information and support, on average, every year.
- By creating employment opportunities for autistic individuals through workplace readiness initiatives and community partnerships.
- Host Spectrum Social events that celebrate autism and create a more inclusive community.

The success of **Birthday Bash** relies on the philanthropy of our community. Please consider partnering with us by becoming a Sponsor of these exciting events and by actively participating.
