

AutismTN believes that there are many autistic teens and adults who demonstrate kindness and work tirelessly to fight bullying and develop friendships. In partnership with Captain Spectrum, we recognize and honor the legacy of Chris Miller with a Post-Secondary Educational Scholarship.

Autistic teens and adults who are seeking a post-secondary opportunity at a university, community college, or vocational technical school are encouraged to apply.

What are some reasons you want to continue your education?

What would you like to learn that will help you make the world a kinder place?

Applications will be accepted beginning December 1, 2022
